## HAWAII & TAHITI

Embark from the West Coast on a round-trip cruise to the blissful Hawaiian Islands. On a Princess® cruise you can visit all four main Hawaiian Islands without the need for a transpacific flight. With relaxing days at sea, you can immerse yourself in the Aloha Spirit with Polynesian-infused entertainment, cuisine and activities like lei making and hula lessons on board.

## MEXICO

Set your internal compass for relaxation south of the border in Mexico. Sail from Los Angeles or San Francisco for destinations including sunny Cabo San Lucas at the tip of the Baja Peninsula, the cobblestone streets and Spanish colonial architecture of Puerto Vallarta, and the unparalleled beaches of Mazatlán.

## THE CALIFORNIA COAST

The Golden State is a kaleidoscope of attractions, from the hilly Victorian charms of San Francisco to world-class wine regions in the state's north and center, to the beaches, theme parks and movie industry landmarks of Southern California. You can get a great overview on a variety of California Coast sailings.

## MORE ASHORE

A relaxing cruise with Princess is the perfect opportunity to recharge your batteries, reconnect with family and loved ones, and make new discoveries. With the best ports, exciting excursions, and More Ashore late night calls that give you more time in port to enjoy by day and night, you'll enjoy sharing experiences with those who mean the most to you.

Top to bottom: The Hawaiian tradition of hula dancing; sun, sea and fun in Mexico; dancers in Mexico; the spirit of wine in California; palm trees line the beaches of Southern California; enjoying horseback riding on the coast of Hawaii.

# YOUR ISLAND PARADISE AWAITS

If a tropical escape is what you need, there's no better destination than the Hawaiian Islands and the South Pacific. Visit four spectacular islands on one cruise on sailings throughout the winter, or venture further to Tahiti and Samoa, the only two Princess® itineraries to visit these destinations. And sailing roundtrip from Los Angeles, San Francisco or Vancouver, B.C., you can relax and avoid a long transpacific flight.

## Oahu's Waikiki

One of the world's most famous beaches, Waikiki retains its timeless allure, framed by iconic Diamond Head and the azure coastline.

## The Big Island's Akaka Falls

Throughout the Hawaiian Islands, you'll find scenes of perfect tropical splendor—including breathtaking waterfalls like this one, Akaka Falls on the Big Island of Hawaii.

## Underwater Attractions

The warm tropical waters of Hawaii and the islands of the South Pacific are known for their beautiful reefs and rich diversity of sea life—including sea turtles, colorful fish, dolphins and whales.

## French Polynesia

French Polynesia has enchanted travelers for centuries. You'll experience the same feeling on perfect islands like Bora Bora and Moorea.

**MORE ASHORE**

You can see the sights during the day, and experience the nightlife after dark. All ports shown in red are Late Night calls (9pm or later), unless noted as an Overnight.

### Experience the Aloha Spirit

Immerse yourself in the Hawaiian culture with savory dishes like luau pork, exotic tropical cocktails and traditional dances, and gain valuable insights into the islands' culture with onboard cultural ambassadors. Celebrate the King Kamehameha Festival with lei making workshops, ukulele classes, and watch entertainers and musicians at the Halau Hula Olana Folkloric Show.

# CALIFORNIA'S GOLDEN COAST

Few states can boast the diversity of attractions that California has — from the Golden Gate Bridge and majestic redwoods of the north to the wineries and Spanish charms of the central coast to the surf and style of Southern California.

## Santa Barbara

Charming Santa Barbara is what many people picture California to be — a perfect climate, authentic Spanish colonial architecture, a lively waterfront and wide sandy beaches. It's also the gateway to one of California's best wine regions, with countless wineries offering tastings and tours.

## Monterey

Be part of our maiden Princess call in Monterey, site of John Steinbeck's famous *Cannery Row*. It's come a long way from its days as a sardine canning capital. Today, the city is better known for its beautiful surroundings and world-class Monterey Bay Aquarium.

## San Francisco

The City by the Bay has more A-list attractions packed into its streets than most cities five times her size. Don't miss the iconic Golden Gate Bridge, a ride on the classic cable cars, Alcatraz, Fisherman's Wharf and the revitalized Embarcadero.

## Wheelchair-accessible rooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 237 to 624 square feet based on stateroom category. Visit [princess.com](http://princess.com) for more details.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1.800.774.6237 for more information.
